Sir,

On the 20th. of Aug.
we received from you \$500.
in Nickels, one bag of \$50.
was paid to a depositor, who
told us that it was over \$1.25.
I write to ask if it is possible
that it could have been so
and if you have any claim?
Our depositor was quite
confident, but we thought
that he must be mistaken.
